 - Title of qualification awarded
- 2007-2009**
Interuniversity Department of Territorial Studies and Planning, Politecnico di Torino – Università degli Studi di Torino
PhD in Territorial Planning and Local Development
Title of the thesis: Settlement features – mobility styles: conceptual representations of a disputed relation.
Tutor: Prof. Alex Fubini
PhD in Territorial Planning and Local Development
- Dates (from – to)
 - Name and type of organisation providing education and training
 - Title of qualification awarded
- 2008, February 11-16**
International Design Workshop XXIII UIA World Congress. Off Congress Official Event “Transmitting Sustainable Cities”, Torino – Basse di Stura. (Participation upon selection)
- Participant
- Dates (from – to)
 - Name and type of organisation providing education and training
 - Title of qualification awarded
- 2006, August 08 - 24**
International summer school “Planning the Post-Welfare City”, Helsinki, University of Helsinki - Helsinki University of Technology (Network for Urban Studies).
- Participant
- Dates (from – to)
 - Name and type of organisation providing education and training
 - Title of qualification awarded
- 2002 - 2004**
Politecnico di Torino, Faculty of Architecture
- Laurea specialistica (Master of science level) in Architecture - Rehabilitation and Revaluation, full marks. Awarded publication honour
http://www.architesi.polito.it/elenco_meritevoli_uk.asp?p_mese=12&p_anno=2004&p_laurea=37
- Dates (from – to)
 - Name and type of organisation providing education and training
 - Title of qualification awarded
- 1999 - 2002**
Politecnico di Torino, Faculty of Architecture
- Bachelor in History and Preservation of Architectural and Environmental Heritage.

RESEARCH EXPERIENCE

National and international research projects, awarded through a peer-review process

- Dates (from – to) **2023**, tbd (project currently approved in Reserve list)
- Funding body Horizon Europe programme - HORIZON-MISS-2022-CIT
- Title of the research JUST STREETS - Mobility justice for all: framing safer, healthier and happier streets
- Role/position held Coordinator of the Politecnico di Torino-DIST research team.

- Dates (from – to) **2022, July – December**
- Funding body Erasmus+ Programme
- Title of the research SPOT – Sustainable Planning of Tourism Destination
- Role/position held Member of the Politecnico di Torino research team. Lead partner: University of Lodz

- Dates (from – to) **2022, February - July**
- Funding body ESPON - European Observation Network for Territorial Development and Cohesion
- Title of the research ESPON TOWN – Small and medium-sized towns, spinoff Denmark
(<https://www.espon.eu/towns%20Denmark>)
- Role/position held Member of the research team. Partners: Politecnico di Torino, University of Copenhagen

- Dates (from – to) **2020, October – 2022, July**
- Funding body ESPON - European Observation Network for Territorial Development and Cohesion
- Title of the research ESPON Targeted Analysis “METRO - The role and future perspectives of Cohesion Policy in the planning of Metropolitan Areas and Cities”(<https://www.espon.eu/metro>).
- Role/position held Member of the Politecnico di Torino research team; coordinator of the nine case studies analysis. Lead partner: DIST-Politecnico di Torino; partners: Barcelona Institute of Regional and Metropolitan Studies (ES), Charles University (CZ), Demaziere (FR), Institute for Development (PL), Université Libre de Bruxelles (BE), University of Florence (IT), University of Latvia (LV), University of Lisbon IGOT (PT).

- Dates (from – to) **2018, June – 2019, May**
- Funding body ESPON - European Observation Network for Territorial Development and Cohesion
- Title of the research ESPON Targeted Analysis “URRUC – Urban-rural connectivity in non-metropolitan regions”
(<https://www.espon.eu/URRUC>).
- Role/position held Member of the Politecnico di Torino research team. Lead partner: Coventry University; partners: Nordregio (SE), DIST-Politecnico di Torino (IT), Institute for Local Development (ES).

- Dates (from – to) **2017, July – 2020, December**
- Funding body Interreg ALCOTRA programme
- Title of the research Interreg ALCOTRA “ARTACLIM - Adaptation and resilience of Alpine territories to climate change”
(<http://www.artaclim.eu/index.php/fr/>).
- Role/position held Member of the Politecnico di Torino research team. Coordinator: ASADAC-MDP (FR), partners: DIST-Politecnico di Torino, iisBE Italia R&D srl, Parc Naturel Régional du Massif des Bauges, Communauté de Communes du Haut-Chablais, Communauté d'Universités et Etablissements Université Grenoble Alpes, Società Cooperativa Servizi e Attività Agro Forestali e Ambientali, Città Metropolitana di Torino.

- Dates (from – to) **2017, September – 2018, February**
- Funding body Interreg ALCOTRA programme

- Title of the research INTERREG ALCOTRA “MOBILAB” – Sustainable mobility in weak-demand areas (<http://graies.eu/>).
- Role/position held Coordinator of the Politecnico di Torino research team. Coordinator: Città Metropolitana di Torino. Partners: GAL Valli di Lanzo; Unité de Communes Valdôtaines Grand-Paradis; Communauté de Communes Coeur de Savoie; Communauté d'Agglomération Arlysère.
- Dates (from – to) **2010, August – 2012, January**
- Funding body COST programme
- Title of the research COST ACTION TU1002 “Accessibility Instruments for planning practice in Europe”.
- Role/position held Member of the research consortium and co-referent for the SITI research team. Chair C. Silva, Co-Chair L. Bertolini. More than 60 participants from 20 EU countries.
- Dates (from – to) **2010, January – 2011, April**
- Funding body LLP ERASMUS Intensive Programme
- Title of the research UPWARD – Urban Project Workshop and Responsible Design
- Role/position held Technical coordinator; member of the steering committee. Lead partner: Politecnico di Torino. Partner: Yildiz University of Istanbul (TR), Department of Urban Planning; Ion Mincu University of Architecture and Urbanism of Bucharest (RO); Corvinus University of Budapest, Faculty of Landscape (HU); CVUT, Faculty of architecture, Prague (CZ); UACEG, Faculty of architecture, Sofia (BG); Cracow University of Technology, Faculty of architecture (PL).
- Dates (from – to) **2010, April – 2010, July**
- Funding body Italian Ministry of University and Research - MIUR
- Title of the research PRIN 2007 “Fare Paesaggio. Dalla pianificazione d’area vasta all’operatività locale / Making Landscape. From large area planning to local operations”.
- Role/position held Member of the research unit of Politecnico di Torino, on Operation and limits of the guidance tools for landscape design. National coordinator Prof. A. Peano.
- Role/position held Member of the research unit of Politecnico di Torino, on Operation and limits of the guidance tools for landscape design. National coordinator Prof. A. Peano.
- National and International research projects or consultancy work, ruled through partnership agreements with companies and/or public bodies, and grants awarded by Politecnico di Torino after comparative assessment**
- Dates (from – to) **2020, January – March**
- Funding body Comune di Torino
- Title of the research “Open space design research - Bicistazioni e intermodalità: elementi e prospettive di sviluppo nel contesto torinese”
- Role/position held Scientific director, coordinator of the research group. Research contract between DIST-Politecnico di Torino and Comune di Torino, Mobility Area.
- Dates (from – to) **2019, February – 2020, February**
- Funding body Comune di Torino
- Title of the research Scientific contribution to the revision of the Municipal Master Plan
- Role/position held Member of the Politecnico di Torino research team.

- Dates (from – to) **2018, February – 2019, November**
- Funding body Politecnico di Torino
- Title of the research “Steering the socio-spatial impacts of automated and connected vehicles”
- Role/position held Coordinator of the project, together with prof. L. Staricco. Lead partner: Politecnico di Torino; collaboration with Westminster University.

TEACHING AND SUPERVISION

- Academic year **2022/2023**
 - Institution Politecnico di Torino
 - Module title Module "Heritage-based planning" (ICAR/20) in the “Planning for Heritage” studio (ICAR/20-ICAR/18), M.Sc. in Planning for the Global Urban Agenda, 6 ECTS
 - Role Coordinator of the course
- Academic year **2022-2023**
 - Institution Politecnico di Torino
 - Module title Challenge Polito “Enhanced mobility for sustainable rural tourism”
 - Role Coordinator of the course, with G. Cotella
- Academic year **2021-2022**
 - Institution Politecnico di Torino
 - Module title "Territorial planning" (ICAR/20) in the "Components and contents of territorial planning" atelier (ICAR20-ICAR15) (20 hours), coordinator of the course Prof. Staricco, B.Sc. in Territorial, urban and landscape-environmental planning.
 - Role Lecturer/Tutor
- Academic year **2021-2022**
 - Institution Politecnico di Torino
 - Module title Environmental assessment in planning. M.Sc. in Urban, Regional, Environmental and Landscape Planning, 4 ECTS
 - Role Lecturer
- Academic year **2021-2022**
 - Institution Aalto University
 - Module title Lecture “The challenges of rural mobility and accessibility”. Aalto University Summer School on Transportation - ASTRA
 - Role Invited lecturer
- Academic year **2021-2022**
 - Institution Politecnico di Torino
 - Module title Master Universitario di II Livello in "Metodi e tecniche per il governo di territori resilienti. Verso la gestione integrata dei rischi"
 - Role Lecturer
- Academic year **2020-2021**
 - Institution Politecnico di Torino and Regione Piemonte
 - Module title Challenge Polito by firms Programmare risorse e pianificare territori: gli Ambiti di Integrazione Territoriale (Programming resources and planning territories: Territorial Integration Areas)
 - Role Mentor

- Academic year **2020-2021**
 - Institution Politecnico di Torino
Master Universitario di II Livello in "Metodi e tecniche per il governo di territori resilienti. Verso la gestione integrata dei rischi"
 - Module title Lecture "Riprogettare lo spazio viario per la vivibilità", module "Pianificazione alla svolta della resilienza. Dalle strategie internazionali al progetto nazionale"
 - Role Lecturer

- Academic year **2020-2021**
 - Institution Alta Scuola Politecnica, Politecnico di Milano and Politecnico di Torino
 - Project title BooSST - Boosting a Smart and Sustainable Transition towards carbon neutral cities.
Coordinator and principal academic tutor: Paola Pucci, Politecnico di Milano - DaSTU. External institutions: EIFER, EDISON.
 - Role Tutor/Lecturer

- Academic year **2020-2021**
 - Institution Politecnico di Torino
 - Module title "Territorial planning" (ICAR/20) in the "Components and contents of territorial planning" atelier (ICAR20-ICAR15), 2nd semester, coordinator of the course Prof. Staricco, B.Sc. in Territorial, urban and landscape-environmental planning.
 - Role Lecturer/Tutor

- Academic year **2020-2021**
 - Institution Politecnico di Torino
 - Module title "Settlement systems" (ICAR/20) of the integrated course "Mobility - settlement systems" (ICAR20-ICAR05), I semester, coordinator of the course Prof. Staricco, B.Sc. in Territorial, urban planning and landscape-environmental planning.
 - Role Lecturer/Tutor

- Academic year **2020-2021**
 - Institution Politecnico di Milano
 - Module title Spatial planning and Infrastructures Design, I semester, coordinator of the courses Proff. A. Arcidiacono, P. Pucci, M.Sc. Urban Planning and Policy Design
 - Role Specialist lecturer on Superblocks and cycle-logistic logistics for the functional re-organization of the urban mobility and public spaces (2 hours)

- Academic year **2019-2020**
 - Institution Politecnico di Torino
M.Sc
Master of Science in Architecture
 - Thesis title, candidate LIVING MT2 | The surroundings of Metro Torino Line 2 as vibrant urban places, Daniel Catalogna, R. Smaila
 - Role Supervisor (A. Gabbianelli, E. Vitale Brovarone and A. Mazzotta)

- Academic year **2019-2020**
 - Institution Politecnico di Torino
 - Module title "Settlement systems" (ICAR/20) in the "Mobility - settlement systems" integrated course (ICAR20-ICAR05), (20 hours) coordinator of the course Prof. Staricco, B.Sc. in Territorial, urban planning and landscape-environmental planning.
 - Role Lecturer/Tutor

- Academic year **2019-2020**
 - Institution Politecnico di Torino
 - Module title "Urban Planning and Territorial Planning" (ICAR/21) in the "Urban Planning" atelier (ICAR21-ICAR14) (20 hours), coordinator of the course A. Cavaliere, M.Sc. in Architecture for the restoration and enhancement of heritage
 - Role Lecturer/Tutor

- Academic year **2019-2020**
 - Institution Politecnico di Torino
 - Module title "Territorial planning"(ICAR/20) in the "Components and contents of territorial planning" atelier (ICAR20-ICAR15) (20 hours), coordinator of the course Prof. Staricco, B.Sc. in Territorial, urban and landscape-environmental planning.
 - Role Lecturer/Tutor

- Academic year **2019-2020**
 - Institution Politecnico di Torino
 - Module title "Urban policies and projects", coordinator of the course Prof. Servillo, B.Sc. in Architecture, Politecnico di Torino.
 - Role Specialist lecturer on "mobility policies" (4 hours)

- Academic year **2018-2019**
 - Institution Politecnico di Torino
 - Module title "Settlement systems" (ICAR/20) in the "Mobility - settlement systems" integrated course (ICAR20-ICAR05) (20 hours), coordinator of the course Prof. Staricco, B.Sc. in Territorial, urban planning and landscape-environmental planning.
 - Role Lecturer/Tutor

- Academic year **2018-2019**
 - Institution Politecnico di Torino
 - Module title "Territorial planning" (ICAR/20) in the "Components and contents of territorial planning" course (ICAR20-ICAR15) (20 hours) coordinator of the course Prof. Staricco, B.Sc. in Territorial, urban and landscape-environmental planning.
 - Role Lecturer/Tutor

- Academic year **2018-2019**
 - Institution Politecnico di Torino
 - Module title "Urban policies and projects", coordinator of the course Prof. Cotella, B.Sc. in Architecture, Politecnico di Torino.
 - Role Specialist lecturer on "mobility policies" (4 hours)

- Academic year **2017-2018**
 - Institution Politecnico di Torino
 - Module title "Territorial planning" (ICAR/20) in the "Components and contents of territorial planning" course (ICAR20-ICAR-15) (40 hours) coordinator of the course Prof. Staricco, B.Sc. in Territorial, urban and landscape-environmental planning.
 - Role Lecturer/Tutor

- Academic year **2017-2018**
 - Institution Politecnico di Torino
 - Module title "Urban policies and projects", coordinator of the course Prof. Cotella, B.Sc. in Architecture, Politecnico di Torino.
 - Role Specialist lecturer on "mobility policies" (4 hours)

- Academic year **2016-2017**
 - Institution Politecnico di Torino
 - Module title "Territorial planning" (ICAR/20) in the "Components and contents of territorial planning" course (ICAR20-ICAR-15) (40 hours), coordinator of the course Prof. Staricco, B.Sc. in Territorial, urban and landscape-environmental planning.
 - Role Lecturer/Tutor

- Academic year **2015-2016**
 - Institution Politecnico di Torino

- Module title "Urban Planning and Territorial Planning" (ICAR/21) in the "Urban Planning" atelier (ICAR21-ICAR14) (10 hours), coordinator of the course: E. Salizzoni, M.Sc. in Architecture for the restoration and enhancement of heritage
- Role Lecturer/Tutor

- Academic year **2015-2016**
 - Institution Politecnico di Torino
 - Module title "Urban Planning" (ICAR/21) in the design atelier (ICAR21-SPS10), coordinator of the course M. Artuso, M.Sc. in Architecture (sustainability) (20 hours).
 - Role Lecturer/Tutor

- Date **21 ottobre 2015**
- Institution Fondazione Ordine degli Architetti, Pianificatori, Paesaggisti e Conservatori della Provincia di Torino, Via Giolitti 1, 10123 Torino
- Module title Teaching assignment. Lecturer of the course "How to prepare a feasibility study", module "Tools and methods for the preparation of a feasibility study" (2 hours)
- Role Lecturer

- Academic year **2014-2015**
 - Institution Politecnico di Torino
 - Module title Module "Urbanism" in the design studio (ICAR21-SPS10), M.Sc. in Architecture (sustainability), 6 ECTS
 - Role Coordinator of the course

- Academic year **2013-2014**
 - Institution Politecnico di Torino
 - Module title Module "Urbanism" in the design studio (ICAR21-ICAR14), B.Sc. in Architecture, 6 ECTS
 - Role Coordinator of the course

- Academic year **2012-2013**
 - Institution Politecnico di Torino
 - M.Sc Master of Science in Architecture
 - Thesis title, candidate Stefano Allais, Riusi industriali: progetto di riqualificazione delle ex Acciaierie Mandelli di Collegno
 - Role Co-supervisor (with L. Dal Pozzolo and S. Gron)

- Academic year **2011-2012 and 2012-2013**
 - Institution Politecnico di Torino
 - Module title Module "Urban planning and territorial planning" (ICAR/21) in the atelier of "Urban planning" (ICAR21-ICAR14), B.Sc. in Architecture for the restoration and enhancement of heritage, 6 ECTS
 - Role Coordinator of the course

- Academic year **2008-2009**
 - Institution Politecnico di Torino
 - M.Sc Master of Science in Pianificazione Territoriale, Urbanistica e ambientale
 - Thesis title, candidate Davide Guttardi Criteri per la selezione di itinerari ciclabili nella provincia di Vercelli
 - Role Co-supervisor (supervisor Prof. P. Riganti)

- Academic year **2008-2009**
 - Institution Politecnico di Torino
 - Module title "Architectural and Urban Design Studio", coordinator of the course prof. Fubini, B.Sc in Architecture. Introductory year taught in English for foreign students.
 - Role Tutor

- Academic year **2008-2009**
 - Institution Politecnico di Torino
 - Module title “Urbanistica” *Urban Planning*, coordinator of the course Prof. Brunetta, B.Sc. in Architecture
 - Role Tutor

- Academic year **2008-2009**
 - Institution Politecnico di Torino
 - Module title “Pianificazione e gestione della mobilità” [Mobility Planning and Management], coordinator of the course Prof. Riganti, B.Sc. in Territorial, urban and landscape-environmental planning.
 - Role Tutor

- Academic year **2007-2008**
 - Institution Politecnico di Torino
 - Module title “Architectural and Urban Design Studio”, coordinator of the course prof. Fubini, B.Sc in Architecture. Introductory year taught in English for foreign students.
 - Role Tutor

- Academic year **2007-2008**
 - Institution Politecnico di Torino
 - Module title “Pianificazione e gestione della mobilità” [Mobility Planning and Management], coordinator of the course Prof. Riganti, B.Sc. in Territorial, urban and landscape-environmental planning.
 - Role Tutor

PARTICIPATION TO AND ORGANIZATION OF CONFERENCES AND SEMINARS

- 2022, July** AESOP (Association of European Schools of Planning) Annual Congress “Spaces for Species. Redefining spatial justice”, Tartu.
Presentation: Addressing accessibility in peripheral areas: concepts, challenges and perspectives.
Presentation: Good in theory, complicated in practice: understanding conflicts behind pedestrianisation initiatives in Turin.
Chair of the session “Land use and transportation” in the Governance track.

- 2022, June** **Organization** of the international policy conference “The role and future perspectives of European metropolitan areas in the EU cohesion policy”, within the outreach activities of the ESPON METRO project.
Presentation in the panel The role of metropolitan areas in the EU cohesion policy. The perspective of metropolitan actors

- 2022, June** XXIV SIU (Società Italiana degli Urbanisti) conference “Worthing values for urban planning”, Brescia.
Presentation of the paper (written with L. Staricco): “Governare la transizione alla guida autonoma in un’ottica di vivibilità urbana”.
Presentation of the paper (written with D. Casavola and G. Cotella): Territorializzare la politica di coesione alla scala metropolitana. Il caso di Torino

- 2022, June** EURA 2022 conference Defrag-Europe: fragility/antifragility at play in contemporary Europe
Presentation: Mobilities and accessibility in marginalized areas: challenges and perspectives

- 2022, February** **Invited speaker** at the seminar "Sustainable rural mobilities". Grenoble. Université Grenoble Alpes / ENTPE
Presentation: Accessibility and mobility in European rural areas: challenges, policies and a research agenda

- 2021, October** **Invited speaker** at the seminar "The Rural Gap: Accessibilities, Mobilities and Social Inequalities".

Pamplona. Universidad Pública de Navarra / UNED
Presentation: Rural accessibility in European Regions

- 2021, September** **Invited panellist** at the Torino Mobility Living Lab international workshop, Turin. UNESCO Cities of Design Network
- 2021, September** **Invited speaker** at the workshop series "AI urbanism" (online)
Presentation: Liveability, cities and autonomous vehicles: an urban planning perspective
- 2021, June** **Member of the organizing committee, scientific secretary and speaker** at the XXIII SIU (Società Italiana degli Urbanisti) conference "Downscaling, rightsizing". Turin
Presentation: "Mobilità e accessibilità nelle aree interne: un'analisi delle strategie SNAI in atto", **Best Paper** under 40 for session 8.
- 2021, June** Regional Science Association - Regions in Recovery Global E-Festival | special session "The Role of Metropolitan Cities within the EU Cohesion Policy Governance: Challenges and Future Perspectives"
Presentation: The Metropolitan City of Turin: A Knight without a Horse?
- 2021, May** **Invited speaker** at the Next Generation Mobility National Congress. Turin (online).
Presentation: Le aree periferiche e le popolazioni periferiche: definizione e politiche per l'accessibilità e la mobilità
Presentation: La pianificazione dello spazio urbano verso la guida autonoma
- 2020, December** 12th International INU Study Day. Welfare and/or Health? 90 Years of studies, policies and plans. Naples.
Presentation of the paper: "La sosta ciclabile: un tema a più dimensioni"
Presentation of the paper (written with L. Staricco): "Il modello superblock per quartieri più vivibili nella città densa".
- 2020, August** ERSA 60th Congress | Territorial Futures. Visions and scenarios to cope with megatrends in a changing Europe. Bozen
Presentation of the paper (written with G. Cotella): The Italian National Strategy for Inner Areas: opportunities and challenges for a place-based regional development".
- 2020, June 5** **Invited speaker** at the seminar/workshop "Reimagining mobility. Mobility futures and creative adaptations", University of Westminster.
- 2020, May 26-28** 4th International Symposium New Metropolitan Perspectives - Knowledge Dynamics, Innovation-driven Policies Towards the Territories' Attractiveness. Reggio Calabria
Presentation of the paper (written with G. Cotella and A. Voghera): "Italy testing the place-based approach. River Agreements and National Strategy for Inner Areas".
- 2019, November 27-28** ESPON Seminar "State of the European Territory". Helsinki.
Invited speaker. Panel discussion – More connected Europe: "Urban rural connectivity in non-metropolitan regions".
- 2019, November 12-15** URBANPROMO XVI edizione, La città contemporanea: un gigante dai piedi di argilla. Torino
Paper (written with L. Staricco): "Promuovere il Transit Oriented Development in Italia: il ruolo della pianificazione di livello metropolitano"
- 2019, July 9-13** AESOP (Association of European Schools of Planning) Annual Congress "Planning for Transition", Venice.
Presentation of the paper (written with G. Cotella and L. Staricco): "Enhancing urban-rural connectivity in non-metropolitan regions: a methodology in support to decision-making".
Paper written J. Scudellari and L. Staricco (presented by J. Scudellari): "Steering disruption: a backcasting approach to govern the spatial impacts of the diffusion of automated vehicles in Turin".
- 2019, June 6-8** XXII SIU (Società Italiana degli Urbanisti) conference "L'urbanistica italiana di fronte all'agenda 2030 per lo sviluppo sostenibile", Bari
Presentation of the paper (written with E. Bacci, G. Cotella and L. Staricco): "Quale accessibilità per le aree interne? Temi, sfide e prospettive per le politiche".

- 2018, July 10-14** AESOP (Association of European Schools of Planning) Annual Congress “Making Space for Hope”, Göteborg.
Presentation of the paper (written with L. Staricco): “Governing the spatial impacts of AVs: state of the art of the debate and methodological issues”.
Abstract (with N. Caruso, E. Pede e L. Staricco, presented by L. Staricco): “Barriers and challenges for adaptation to climate change: the case of planning practice in Italian west alps”.
- 2018, May 24** International congress About a city - Places, Ideas and Rights for 2030 citizens, Fondazione Feltrinelli, Milan, scientific committee: Stefano Boeri, Mauro Magatti, Salvatore Settis.
Invited speaker Roundtable “Mobilità urbana e sviluppo territoriale” [urban mobility and territorial development] (coordinator prof. P. Pucci)
- 2017, July 11-14** AESOP (Association of European Schools of Planning) Annual Congress “Spaces of dialog for places of dignity”, Lisbon
Presentation of the contribution (written with G. Melis, G. Rybarczyk e L. Staricco): “Moving towards happiness? understanding travel moods through twitter data in Turin”.
- 2017, June** XXIII international conference “Living and Walking in Cities”, Brescia.
Presentation of the paper “When transport infrastructure shapes the public space: public transport stops as urban places”.
- 2011, September** XXXII conferenza italiana di scienze regionali (AISRE) “Il ruolo delle città nella economia della conoscenza”, Torino.
Presentation of the paper, with G. Melis: “Sistemi spaziali di supporto alle decisioni per il recupero di aree dismesse”.
Presentation of the paper (written with E. Papa): “Pianificazione dell'accessibilità: teorie, strumenti e applicazioni”.
- 2011, May** XIV Conferenza Nazionale della Società Italiana degli Urbanisti “Abitare l'Italia. Territori, economie, diseguaglianze”, Torino.
Presentation of the paper, with G. Melis: “Riqualificazione urbana ed esiti di salute: una lettura delle diseguaglianze a Torino”.
- 2010, November** Enersolar + Expo Congress, Milan.
Invited speaker. Title of the intervention: “Città in Movimento: relazioni e dipendenze tra i caratteri degli insediamenti e la domanda di mobilità”
- 2010, September** International conference AISRE – ASRDLF “Identità, qualità e competitività territoriale. Sviluppo economico e coesione dei territori alpini”, Aosta.
Presentation of the paper: “Teorie comportamentali per la pianificazione della mobilità”.
- 2010, July** AESOP (Association of European Schools of Planning) Annual Congress "Space is Luxury", Helsinki.
Presentation of the paper: “Land Use-Transport Studies: Immature Discipline or Multidisciplinary Field of Study?”.
- 2009, July** AESOP (Association of European Schools of Planning) Annual Congress "Why can't the future be more like the past?", Liverpool.
Presentation of the paper: “Teaching land use-transport interactions: toward a cross disciplinary education?”.
- 2008, October** **Organisation** of the VIII Convegno nazionale della Rete Interdottorato in Pianificazione Urbana e Territoriale “Fare ricerca”, Torino.
Opening and closing speech of the congress (as coordinator of the local organising committee, with C. Murano).
Coordinator of the session “Mobilità e infrastrutture”.
- 2008, October** 11th EURA conference, “Learning cities in a knowledge-based society”, Milano.
Presentation of the paper: “Correlation, causality or what? Findings and controversies on the relation between urban form and mobility styles”.

- 2008, September** XXIX conferenza AISRE, “Conoscenza, sviluppo umano, territorio”, Bari.
Presentation of paper, written with E. Bello: “Pianificazione dei trasporti e pianificazione urbana: difficoltà di integrazione negli strumenti e nelle teorie”.
- 2008, September** 23rd international congress PECSRL - The Permanent European Conference for the Study of the Rural Landscape, “LANDSCAPES, IDENTITIES AND DEVELOPMENT”, Lisbon.
Presentation of the paper, with E. Salizzoni: “Wind farms: blemish on the landscape or energy landscapes?”.
- 2008, April** XXVI congresso INU, “Il nuovo piano”, Ancona.
Presentation of the paper: “L’urbanistica nella relazione tra usi del suolo e mobilità”.
- 2007, October** XXII international congress IPSAPA/IPSALEM, “Will, Freedom and Necessity in the Creation of the Landscape and Cultural Mosaic / Volontà, libertà e necessità nella creazione del mosaico paesistico-culturale”, Università degli Studi di Udine, Cividale del Friuli.
Presentation of the paper, with M. Puttilli: “I paesaggi energetici come paesaggi culturali: in cerca di nuove immagini della sostenibilità”. Presentation inserted by the international scientific committee in the **plenary session** “tensions and resolutions: conflict and evolution”.
- 2007, September** VII Convegno nazionale della Rete Interdottorato in Pianificazione Urbana e Territoriale “Fare ricerca”, Palermo.
Presentation of the paper: “Verso l’integrazione delle pianificazioni dei trasporti e degli usi del suolo”.
Coordinator of the session “Teorie e Saperi”.

OTHER ACADEMIC AND RESEARCH ACTIVITIES

- 2023 - ongoing** Chair of the AESOP Best Published Paper Award Committee
- 2023 - ongoing** Member of the NECTAR Network on European Communications and Transport Activities Research
- 2022 - ongoing** Member of the Scientific Board of the Doctoral programme in “Regional and urban development”, Politecnico di Torino (full membership will be formalised in the next national accreditation period - late spring 2023).
- 2022 - ongoing** Member of the Board of Studies (collegio di corso di studi) in Spatial Planning and Design (Pianificazione e progettazione)
- 2022 - ongoing** Member of the coordination board of DIST - Interuniversity Department of Urban and Regional Studies and Planning, Politecnico di Torino - scientific laboratories
- 2022 - ongoing** Member of Interdepartmental Center FULL - Future Urban Legacy Lab, Politecnico di Torino
- 2021 - 2022** Evaluator and senior scorer of post-doctoral research proposals for the EuroTechPostdoc2 Programme, Marie-Curie fellowship within the EuroTech Universities Alliance. Calls 2021 and 2022.
- 2020 - ongoing** Evaluator of research proposals for the National Science Centre of the Government of Poland (<https://www.ncn.gov.pl/?language=en>)
- 2022, September** Invited expert as member of the mirror group on mobility and digital transition of business and households with a focus on rural and suburban territories and an attention to vulnerabilities. Coordinator N. Ortar, ENTPE Lyon.
- 2021, April - May** Invited expert “Imagining the urban road of the future”, National Technical University of Athens, University of Huddersfield.

2020, March	Invited expert in transport and mobility to contribute to a new Horizon Scanning exercise to identify the Top 100 Research Questions important for future research and funding in energy efficiency, as part of the Energy-SHIFTS H2020 Programme – Transport and Mobility working group.
2017 - ongoing	<p>Active peer-reviewer for the following scientific journals:</p> <ul style="list-style-type: none"> • ASUR, Archivio di Studi Urbani e Regionali (https://www.francoangeli.it/riviste/Sommario.aspx?IDRivista=3) • Bulletin of Geography.
